- As there is such a huge variety of pet foods nowadays, we do not provide food – so please make sure you send enough to cater for your pet(s) during their stay with us.
- We provide newspaper, shavings, high quality hay and Readigrass.
- Please send any toys or items your pet(s) are comfortable with – though we do have lots here, so it is not mandatory to send anything!
- Please leave your pet carrier with us – so we can use it to carry your pet(s) to the outdoor exercise area (if relevant!).
- Outdoor pets are allocated their own luxury chalet – equipped with everything they could possibly desire. Only pets from the same family will board together. If your pets need to be boarded in separate accommodation, the main price per pet will apply.
- Indoor pets should come with their own cage / accommodation, bowls, water bottle and belongings. We will let our customers know if this changes at any point in the future!
- Unless the weather is extreme, pets will be taken to the outdoor run for at least one hour per day. If it is a nice day, and you are happy with it – they can stay in the run all day. Please specify your requirements upon drop off.
- If you have rescued your pet(s) (from any individual or organisation), please inform us of as much history as you are aware.
- All pets must be fully vaccinated as per their breed recommendations (rabbits to include at least: Myxomatosis and RVHD). A photo / copy of your vaccination, flea and worming treatment records as relevant must be emailed / handed to us prior to the commencement of your booking. Our email address is: [enquiries@animalmagicfamily.co.uk](mailto:enquiries@animalmagicfamily.co.uk)
- Under no circumstances should you send your pet to us if fleas are suspected / seen. PLEASE check for them regularly and treat as necessary. Do your best to keep your home flea-free! You MUST ensure treatment is administered before sending your pet to us for any Boarding booking, and evidence must be provided.
- **Please be honest about behavioural problems.**
- If your pet requires any medication during their stay, please remember to hand us the product(s) with clear instructions – in writing.

- Please let us know if your pet is not allowed any treats or has any specific dietary requirements.
- We are fully insured and hold a Licence from the Local Authority.
- Though it is very unlikely that injuries will occur during your boarding booking, we have been trained in Pet First Aid and stock a comprehensive Pet First Aid Kit - therefore are able to treat minor injuries immediately and on site. If we feel that the injury and treatment are out of our range of expertise, your cat will be taken to a vet. We will contact you en route. If your own vet is unreachable for any reason, we will take your dog to the nearest vet with emergency facilities. We are registered with Vets for Pets in Keighley, Stanley House and Mearley Veterinary Groups.

### Payment Conditions (Pet Boarding)

- A 50% non-refundable deposit is required to confirm any Pet Boarding booking. The balance is due the day before the booking commences.
- If you cancel and do not cancel with at least 14 days notice of your booking, the balance will still be payable.
